Crafted in France circa 1990, each hanging lantern is composed of a finely bronze frame with a wonderful verdigris patina and fitted with a cylindrical acrylic body. Each lantern is wired and ready for installation, each houses four candle-style lights with decorative wax-drip sleeves, offering soft ambient illumination. These lanterns are perfect for a grand entryway, covered terrace, or kitchen island. The fixtures are in excellent condition commensurate with age and use and offer timeless character and charm with a stately French flair. Each: 18" Diameter x 31" H
