This unusual cocktail table would make an interesting addition to any living room, sitting area, office, or den. Square in shape, the elegant table stands on four cabriole legs, embellished with scroll motifs, and connected with a curved center stretcher at the base. The surface is dressed with a 1" thick and large crackled glass top with scalloped edges. The cocktail table is excellent condition, and adorns a patinated polished steel finish. Versatile, the cocktail table could also be used outdoor on a back patio or a porch. The tabletop glass has no visible scratches, and the piece is extremely heavy. Measures: 43" W x 43" D x 19.25" H.
