Decorate a den or living room with this elegant side table. Crafted in England circa 1990, the table stands on a carved turned pedestal base ending with three scrolled legs; the octagonal surface is dressed with a brown leather top decorated with embossed floral motifs, and embellished with a pierced brass gallery around the edges. The Queen Ann style martini table is in excellent condition, and adorns a rich walnut patina. Versatile, the occasional pedestal table could be used as a wine tasting table, or next to a chair to hold a drink or a book. 16"W x 16"D x 27.5"H
