Decorate a bar, dining room, or poolside setting with this large vintage champagne cooler. Crafted in France circa 1980, the sculptural bucket is made of brushed stainless steel and features the iconic Veuve Clicquot Champagne logo on the front.

Designed with an elegant sloped silhouette, the cooler is generously scaled to accommodate a double magnum (jéroboam) or multiple standard bottles, making it both highly functional and visually striking for entertaining. The clean modern lines combined with the prestige of the Veuve Clicquot name create a refined presentation piece for any gathering.

The vintage champagne bucket is in excellent condition commensurate with age and use, with a sleek brushed finish and light surface wear consistent with use. A rare oversized example, ideal for serious entertaining or display behind a bar. Dimensions: 20.5"W x 12"D x 10.75"H
