Made of molded acrylic, the oval vessel has gracefully sloping sides with a raised back and lower front, creating an attractive presentation for a chilled bottle of Champagne.

The stylish cooler is embellished with the iconic Veuve Clicquot name and anchor crest in gold lettering on the front and inside the upper rim. An additional embossed VCP emblem decorates the lower exterior. The spacious interior features a molded base designed to support a Champagne bottle, while providing ample room for ice to keep it perfectly chilled. The combination of its dramatic black finish, elegant curved lines, and gold detailing gives this bar accessory a sophisticated, contemporary appearance.

The vintage Champagne bucket is in excellent condition commensurate with age and use, retaining its glossy finish with minor surface wear.
