Use this elegant, antique fruit wood table in a living room or den as an occasional side table. Crafted by Habersham Co. circa 1980, the round table stands on four tapered and fluted legs, dressed with a bottom stretcher, over a heavily carved apron decorated with shell and foliage motifs in high relief throughout. The circular top with recessed motifs is dressed with a nice walnut top. The Louis XVI style gueridon is in excellent condition with a rich distressed walnut patina.
