Decorate a powder room or an entry with this elegant Classic style wall mirror. Crafted in New York by Mirror Fair and Stephen Cavallo, the large mirror features a carved vase basket at the pediment decorated with acanthus leaf and floral motifs; it is further embellished with wire swag and tassel decor on the sides, and geometric motifs around the frame. The tall rectangular Regency mirror dressed with a smoked glass, is in excellent condition and adorns a rich verdigris painted finish with gilt accents throughout; a great addition for an entryway, bedroom or dining room. 33"W x 59.5"H
