**Categories:** <u>Statues, Busts & Figurines</u>

Decorate a library shelf or office with this set of antique miniature monkey sculptures. Created in France circa 1920, each Chimp is seated on a stool and playing an instrument with a music sheet spread across their laps; there is one monkey blowing the trumpet, one holding cymbals, and one playing the guitar. Each small figurine is made of a cast bronze with intricate textured attributes throughout. The set is in excellent condition with wonderful details and adorns a rich, patinated finish. The largest one measures: 2.75" W X 3.25" D X 3.75" H
