Crafted in Spain, circa 1970 and circular in shape, the handmade centerpiece features a hammered silver wide mouth bowl attached to a hand carved walnut base. The large bowl is decorated with rope details and features circular studs throughout the exterior. Versatile and practical, it could be placed on an island or in the center of a dining table, filled up with fruit or vegetable, or on a wet bar as a cooler to keep your wine or champagne bottles chilled. The piece is in excellent condition commensurate with age and use with a rich patinated silver finish. Stamped "Valenti. Made in Spain" on the underfoot for further authentication. Valenti, a company in the high range decoration industry with a long tradition and artisan roots. Its designs are unique products, made with the attention and care of a silversmith, which are exclusive and loaded with sophistication. Measures: 19.75" diameter; 9" height.
